In our creative activity we build on achievements in the study of media literacy and critical thinking skills. The residence will last 12 days and consist of classes in theory and creative practices. Residents will realise their own creative ideas drawing on new knowledge, skills and reflections. The mentors of the project are the Ukrainian creative group Krolikowski Art - the main techniques of which are fine art, installation and performances.</p>	05.07.19	30.09.19	Verkhovyna	435 752,28

20	142277	Residencies	Individual Projects	Performative art	TERRITORY OF CREATION	Natural person - entrepreneur Gavryliuk Vladyslava Volodymyrivna		Theatrical Residence for actors, directors, playwrights of theater and cinema based on the Method of Creative Structured Improvisation (MCSI), created by Oleg Drach. At the heart of MCSI is a figurative transformation in the behavior of the actor. That is, MCSI is based on the nature (first of all!) Of acting talent - an action, as a meaningful transformation of the physically-emotional act and the ability to repeat it. The initiative of such practice lies with the actor himself and is his conscious process of the internal interaction of mental freedom with imagination.	01.08.19	31.10.19	Kriworivnya, Kyiv	444 300,00
21	151188	Residencies	National Cooperation Projects	Design and fashion	Launch of the ethno-residency of design and fashion "Ladomiria"	NGO "Research and revival center of Volyn"	Charitable foundation" Community fund"Ridnya"	The project aims to establish the ethno-residency of design and fashion "Ladomiria" on the basis of the hand-weaving workshop (studio) of the NGO "Research and revival center of Volyn". It should become a place where designers, who use ethnic motifs in their creative work, will be able to meet, communicate, collaborate, and share their experiences one with other. At the same time, they will be provided with necessary resources for creativity. Designers will be actively engaged in collective creativity, i.e. they will participate in lectures, workshops, open-air days, collective works.	01.08.19	31.10.19	Volyn, Zhytomyr, Lviv, Rivne regions	927 340,00
22	172595	Debuts	Individual Projects	Visual art	MUHi 2019 Young Ukrainian Artists Contest: Testing the Boundaries	Non-government organization "Shcherbenko Art Centre"		MUHi is a multifunctional project aimed at consistent and long-term work to support emerging Ukrainian artists. In 2019, the project will be implemented for the eighth time. A crucial element of the project is the implementation of a parallel program that provides educational and communicative events. The project is a competition with the following rules: Ukrainian artists starting from the age of 18 can take part; Only Ukraine citizens can participate; Finalists and winners are chosen by committee, consisting of experts; One can get into the shortlist of MUHi only once.	15.07.19	10.11.19	Kyiv	396 124,04
