4.		Please explain why the Project is unique and innovative.
VII.	Project Objectives, Tasks, Expected Results, and Implementation Indicators	
1.	Overall Objective of the Project	(text field)
2.	<p>Project objectives</p> <p>PLEASE NOTE! The application form includes built-in guidance on how to complete each section correctly. These instructions can be accessed by clicking the "i" (information) icon located in the upper-right corner of the relevant field.</p> <p>Please ensure that the following instruction is included: "In this section, select and complete the required number of objectives necessary for the implementation of your Project. The minimum number of objectives is one (1)."</p> <p>In the applicant interface, one objective field is displayed by default. Additional fields are</p>	<p>Dynamic addition of fields in the following format: Objective 1, Objective 2, Objective 3, Objective 4, etc.</p> <p>Each objective must be numbered: Objective 1, Objective 2, Objective 3, Objective 4, etc.</p>

	generated dynamically when the applicant clicks the "Add Objective" button. The system should allow the addition of up to ten (10) objectives .	
3.		Objective 1 – (text) Task(s) – (text) Result, including the achievement indicator and quantitative target – (text)
4.		Objective 2 – (text) Task(s) – (text) Result, including the achievement indicator and quantitative target – (text)
5.		Objective 3 – (text) Task(s) – (text) Result, including the achievement indicator and quantitative target – (text)
6.		Objective 4 – (text) Task(s) – (text) Result, including the achievement indicator and quantitative target – (text)
VIII	Project Target Audiences	
1.		Please describe the Project's direct target audience using both quantitative and qualitative indicators.
2.		Please describe the Project's indirect target audience using both
3.		How were the cultural needs and interests of these audiences identified?
4		In what way will the final results of the Project satisfy, either fully or partially, the cultural needs and interests of the selected target audience(s)?
		Who are the Project stakeholders? Please indicate how you intend to engage with them and

		what tools and methods will be used for this purpose.
IX.	Project Communication and Outreach	
1.		<p>What key messages and which spokespersons/opinion leaders will be selected to disseminate information about the Project among the direct target audience(s), indirect audiences, potential partners, and the general public?</p> <p>Please indicate with which spokespersons/opinion leaders agreements have already been reached regarding their participation in the implementation of the Project's communication activities. Describe the communication methods and channels that will be used during the implementation of the Project.</p>
2.		<p>Which media outlets will cover the implementation and results of the Project?</p> <p>Please specify the names of the media outlets and indicate the planned number of publications, broadcasts, or other media materials.</p>
3.		What quantitative and qualitative indicators do you plan to achieve as a result of implementing the Project's communication component?
X.	Long-Term Results of the Project	
		What long-term outcomes are expected to be achieved through the implementation of the Project? What evidence will demonstrate that the Project's overall objective has been achieved?
		Please describe the social value and societal impact of the Project results.
XI.	Project Sustainability	
1		Does the Project envisage further development of its activities (including partnerships and dissemination of experience) and the continued operation of the products created as a result of the Project? If so, please describe the basis on which such sustainability will be ensured (e.g.,

		self-financing, funding from the state or local budget, grant support, sponsorship, etc.).
XII.	Project Team (Key Personnel)	
1.		<p>Table:</p> <ol style="list-style-type: none"> 1. Name, surname, patronymic; 2. Role in the Project; 3. List of key responsibilities; 4. Engagement in the Project (expressed as a percentage relative to employment at the primary place of work or involvement in other projects); 5. Relevant experience (brief biographical profile); 6. Type of financial relationship with the applicant organisation (individual entrepreneur/sole proprietor, civil law contract, employment contract, volunteer, other)
2		Is the applicant, any member of the Project team, or any of their close relatives an expert of the Ukrainian Cultural Foundation under the respective programme?
XIII.	Project management and project risks	
1		Please describe the internal and external risks that may affect the implementation of the Project and outline the measures that will be taken to mitigate or minimise these risks.
2		What internal monitoring tools and mechanisms will you apply to track the implementation and progress of the Project?
XIV	Monitoring Information	
	The information provided below is used for reporting purposes to public authorities and the general public in the form of aggregated statistical data on the Foundation's applicants and grant recipients. The information provided will not influence the evaluation of the Project in any way. All information submitted must be accurate and verified.	
		Number of men in the Project team
		Number of women in the Project team
		Number of people aged 17–34
		Number of people aged 35–50

		Number of people aged 51–60
		Number of people aged 61–70
		Number of people aged over 71
		Number of employed pensioners in the Project team
		Number of persons with disabilities in the Project team
		Does the Project envisage the involvement of volunteers? Please indicate the number of volunteers. If none are planned or if you are uncertain, please enter 0.
		Does the Project envisage the involvement of veterans of the Anti-Terrorist Operation (ATO) as participants or members of the audience? Please indicate the number of such individuals. If none are planned or if you are uncertain, please enter 0.
		Does the Project envisage the involvement of internally displaced persons (IDPs) as participants or members of the audience? Please indicate the number of such individuals. If none are planned or if you are uncertain, please enter 0.
		Does the Project envisage the involvement of children from low-income families and/or orphaned children as participants or members of the audience? Please indicate the number of such individuals. If none are planned or if you are uncertain, please enter 0.
		Does the Project envisage the involvement of persons with disabilities as participants or members of the audience? Please indicate the number of such individuals. If none are planned or if you are uncertain, please enter 0.
		Is it planned to apply energy-saving methods during the implementation of the Project?
		Will the messages communicated through your Project adhere to the principles of tolerance in accordance with the UNESCO Declaration of Principles on Tolerance?
